Monsignor Marco Antonio Gonzaga

Primicero di Mantoa.

On è chi non prenda diletto in rimirare il cielo rapito solamente dalla vaghezza d'un bel sereno, & dal lampeggiar di tanti lumi, ma gode molto piu, e senza paragone chi conosce il moto, il viaggio, & la virtù d'ogni minore stella; Così non è chi non si compiaccia nell'udire il canto attratto solo dal suono di soave armonia, & dal concerto di canore voci, ma differentemente & di gran lunga prende piu gusto chi conosce la misura, l'imitatione, & l'anima della musica; A questo & non alla grandezza del soggetto (benche grande) all'ombra di cui potessero ripararsi le mie Canzonette, ho io haunto l'occhio in dedicarle, ne trouando maggior conoscenza, ne maggior godimento in conoscente, ne conoscente che maggiormente mi fosse padrone di V. S. Illustriss. à lei le dono, e à lei le consacro, come buon tempo fa le donai, & consecrai me stesso, & in tanto N. Sig. la felicitì, le bacio le mani.

Di Correggio il dì 15. Ottob. 1587.

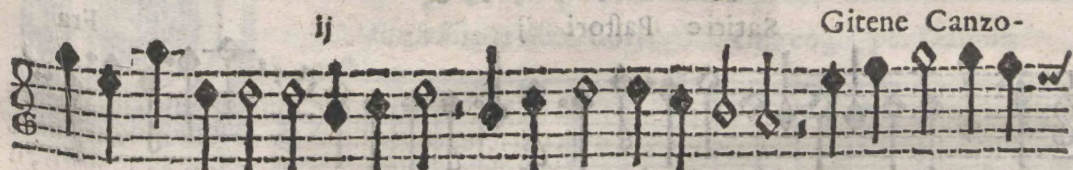

Di V. S. Illustriss. & molto Reuerenda.

Deuotiss. Ser.

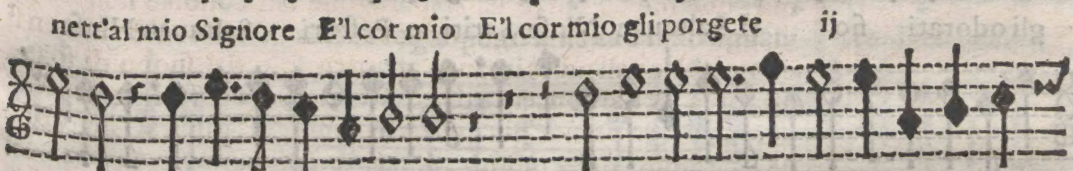

Horatio Vecchi.
